EXPERIENCE

2019

HR •Zanzibar Insurance Corporation•Unguja, Zanzibar.

2020

Accountant •Zanzibar Insurance Corporation • Unguja, Zanzibar.

2021

UX Design •Freelance •Karnataka, India.

I have been working under this company for two years with different departments as, Human Resource Manager (HR) and Accountant. In my career I was able to solve many cases concern car insurances and provide financial services to the society and bring huge impact to make the first company with big trust earned from customers. I contributed towards planned goals and target to become a company with many investors, its because of the efforts I put during my time in the company.
